SUMMARY

Ethan is a cybersecurity professional at Somerset Recon. His areas of interest include cryptography, lockpicking, vulnerability research, digital forensics, embedded security, and Capture the Flag (CTF) competitions. He has given multiple conference and hackerspace talks involving his areas of interest. He exemplifies leadership and communication as a dedicated Eagle Scout, as well as an autodidact who enjoys solving challenging problems.

WORK AND VOLUNTEER EXPERIENCE

Hardware/Software Penetration Tester, Somerset Recon Jan 2023 - Present

- Conducts hardware and software security assessments involving the identification, exploitation, and mitigation of various security vulnerabilities.

Assistant Scoutmaster, Boy Scouts of America Oct 2022 - Nov 2023

- Volunteer time towards helping youth become strong leaders in their troop and community.

Teacher's Assistant + B'nei Mitzvah Tutor, Temple Ramat Zion Sep 2017 - Feb 2023

- Taught third and fifth graders Hebrew words and aspects of Judaism. Also prepared 12-year old Jewish children for their Bar and Bat Mitzvah.

SKILLS

Languages: Python, C, C++, Rust, Assembly (ARM, MSP430, x86), Bash

Operating Systems: Debian, Ubuntu, Qubes, Fedora, Windows, Graphene

Soft Skills: problem solver, autodidact, persistent, critical thinking, communication

EDUCATION

University of California San Diego Jun 2024 - Present

Majoring in Computer Engineering (Bachelors of Science)

Los Angeles Pierce College Spring 2024

Associate of Arts - Mathematics

Associate of Arts - General Studies: Science, Technology, Engineering & Mathematics

Associate of Arts - General Studies: Social and Behavioral Sciences

Associate of Science Transfer - Mathematics

Associate of Science Transfer - Physics

ACTIVITIES

Helios Project Apr 2021 - Jun 2022

- **About:** CSUN computer science project where six members use artificial intelligence in conjunction with Microsoft's Hololens to decrease the effect of Alzheimer's on the elderly.
- **Leadership:** Spearheaded research in image processing and text classification using machine learning. Gained an understanding of neural networking and Tensorflow in Python.

Cybersecurity Club Aug 2019 - Jun 2022

- **Leadership:** Served 3 years as President.

CTF Group Dec 2019 - Jan 2023

- **About:** Weekly collaboration to prepare and participate in biweekly CTFs.
- **Leadership:** Presented a cryptography talk about the RSA algorithm's math, applications, and vulnerabilities.

Boy Scouts of America Mar 2015 - Dec 2023

- **About:** Prepares young people to make ethical and moral choices by instilling values of the Scout Oath and Law.
- **Leadership:** Assistant Scoutmaster, Senior Patrol Leader, Assistant Senior Patrol Leader, Patrol Leader, Assistant Patrol Leader, Den Chief, Troop Guide, Chaplain Aide.
- **Community Service:** Completed over 450 hours of community service during Boy Scout membership.

ACHIEVEMENTS

Eagle Scout: Learned leadership and necessary life skills. Dedicated over 300 hours towards planning, pitching, fundraising, and executing the Eagle Scout project, which entailed organizing and managing the painting of lampposts and poles, the planting of fruit trees, and the refurbishing of benches in the synagogue.

National Cyber Scholarship CTF: Awarded a scholarship for placing 26th out of 3,277 competitors.

Microcorruption: Completed all challenges (ranked top 3% of all players). First in the world to solve the 23rd level.
